

EXPO, Cascina Triulza - May 29 at 14.30 pm.

Empowerment of Myanmar small farmers, landless workers and women for an integrated, sustainable rural development, peace and democracy

Who we are

- Sustainable development
- Responsible investments
- Fair competition
- Skill development
- Decent work, labour rights
- Land rights
- Gender empowerment
- Democratization
- Human and cultural Rights

ITALIA-BIRMANIA.INSIEME is an Italian association set up by outstanding personalities and organizations, that for their social, cultural and economic role promote initiatives to support projects, exchanges and programs between Italy and Myanmar to support the social, institutional and economic actors to promote sustainable and democratic development.

AFFM is the Agriculture Myanmar Farmers Federation that since the official organization in 2012 organised more than 34.000 agriculture workers to promote decent work and sustainable agriculture in respect of the delicate social, cultural and environmental equilibriums.

THE PROJECT

AN UNIQUE OCCASION WITHIN THE EXPO 2015 TO DISCUSS WITH:

MYANMAR SMALL FARMERS, LANDLESS WORKERS WOMEN, TRADE UNIONS, DECISION MAKERS, EMPLOYERS REPRESENTATIVES, ON: HOW TO GRANT **LAND RIGHTS AND DECENT WORK**, TO FOSTER **FOOD SECURITY**, RESPONSIBLE INVESTMENTS and **SUSTAINABLE AGRICULTURE** AS MEANS FOR DEMOCRACY, PARTICIPATION AND DIGNITY

WHERE WE WILL BE

On **May 29 2015**
14.30 pm

EXPO 2015

Our seminar will take place within the **EXPO Civil Society Pavillon Cascina Triulza**

OUR CONNECTED INITIATIVES

In the days before the seminar, the Burmese guests will meet with representatives of companies, institutions and universities. We would like to promote:

- exchange of experiences between Burmese representatives and Italian institutions, universities and business, on:
- sustainable and organic farming experiences and programs..
- sustainable agro- business and fair competition.
- decent work.
